PUBLIC NOTICE

PLEASE TAKE NOTICE that, on December 16, 2008, at 1:00 p.m. (ET), the Public Service Commission (the "PSC") will hold a public hearing to consider whether the following federal electric utility standards set forth in The Energy Independence and Security Act of 2007 ("EISA") Pub. L. No. 110-140, 121 Stat. 1492 (2007) should be implemented: (1) integrated resource planning; (2) consideration of smart grid investments; (3) rate design modifications to promote energy efficiency investments; and (4) Smart Grid Information (collectively, the "EISA Standards"). See 16 U.S.C. § 2621(d)(16)-(17).

The public hearing will take place at the PSC's offices located at:

861 Silver Lake Boulevard
Cannon Building, Suite 100
Dover, Delaware 19904

Any individual who wishes to participate in this matter may appear at the hearing and may, prior to the

hearing, contact the PSC in person, by writing, or telephonically, regarding the matter. The PSC's toll-free (within Delaware) telephone number is 800-282-8574. Persons with questions concerning this matter should contact the PSC by either text-telephone ("TT") at 302-736-7500 or by regular telephone at 302-736-7500.

Any individual with disabilities who wishes to participate in this matter should contact the PSC to discuss any auxiliary aides or services needed to facilitate such participation. Such contact may be in person, by writing, or telephonically (including the use of the Telecommunications Relay Service).
